PRESIDENT'S REPORT

RANDY DIEHL, *President* _____

Greetings Brothers & Sisters,

It appears that we are finally heading into getting the virus under some kind of control and I certainly hope that we can get our lives back to some kind of normalcy. It has been a very long year!

Business has picked up and the company is hiring or at least trying to hire. That is good news, but unfortunate that Caterpillar is having so much trouble hiring people. I feel like corporate greed is the cause of their problems. Caterpillar had no problem hiring qualified UAW members back in the 60's and 70's when we had over 25,000 members working in the Peoria area. I truly want Caterpillar to be able to hire good employees now, but I also feel like they only have themselves to blame for this problem.

Caterpillar was the best place to work in the Peoria area for a long time, but in my opinion, they treated their employees much better back in those days. That was back when their employees made the top pay in this area, had 100% insurance coverage at no cost to their employees and way before two tier wages and supplemental employees. These are not the only reasons that Caterpillar is finding it so difficult to get qualified, good employees but it is definitely part of the problem.

In Solidarity,
Randy Diehl

INSURANCE & BENEFITS REPORT

JOHN ARNOLD _____

Hello everyone! I hope this year is going better than last year for everyone. This year has gone by quickly seeing that we're six months in already. I have received a lot of calls concerning the postcard that was sent out dealing with the class action lawsuit against Blue Cross Blue Shield. This is a legitimate lawsuit and if you want to submit a claim you can if you want to. If you have any questions about this lawsuit and filing a claim you need to call 1-888-681-1142.

Just a reminder to the retirees that still get the Medicare reimbursement your next reimbursement will be in the July pension check. Also, for the retirees needing new glasses you can still go to the Caterpillar Safety Store and buy them there. It is in Building HH and you should call (309) 675-2261 before going down there because they have limited hours. I get a few calls a month asking if retirees can still go there so I figured I'd put it in this article.

In my last article I mentioned that the International UAW had requested the numbers Caterpillar used to calculate this year's premium and were getting everything verified by the Social Security Department. All the numbers and calculations have been turned over and the Social Security Department has gone through everything. As I was expecting, and I'm sure many of you were too, they verified everything was calculated correctly. The Social Security Department didn't find any wrongdoing when the 2021 premiums were calculated. I wish I had better news to share.

In closing I hope you all have a safe and happy summer.

In Solidarity,

John Arnold
Insurance & Benefits Chairman

RETIREES - Medicare Reimbursement

From time to time, I remind our retirees about the Medicare Part B reimbursement portion of our plan. If you or your spouse are Medicare age, 65, and enrolled in Medicare Part A & B, you are eligible for reimbursement of the Part B Premium. **The Plan will reimburse your Medicare premium up to \$99.50 per month every January and July.** This only pertains to members and spouses that opted out of the management/executive plan and retired prior to March 26, 2017. **You must contact Alight Solutions (Hewitt) at 1-877-228-4010 to enroll for the reimbursement. Once you're signed up, you won't have to sign-up again.**

Congratulations on your retirement. If you have recently retired from Caterpillar, please don't forget to come by the UAW Hall and pick up your Retiree hat, pin and membership card.

BARGAINING CHAIRMAN'S REPORT

BOBBY KOLLER _____

Greetings Brother and Sisters,

I hope everyone is doing well and hopefully we are going in the direction of getting back to normal or at least the new normal.

The Chairman's office remains busy with the call volume and grievance procedures as usual; I would like to address a couple of things that have come up several times the last couple of months. AWOL has been an ongoing issue. The company has modified their answering service to have you report to the absentee hotline and to report to medical with documentation (if physically possible) by the third day of absence. The company has not been allowing any leeway on medical verification or contacting your supervisor. So, if you are going to be absent for 3 or more days, please notify your supervisor and the medical department.

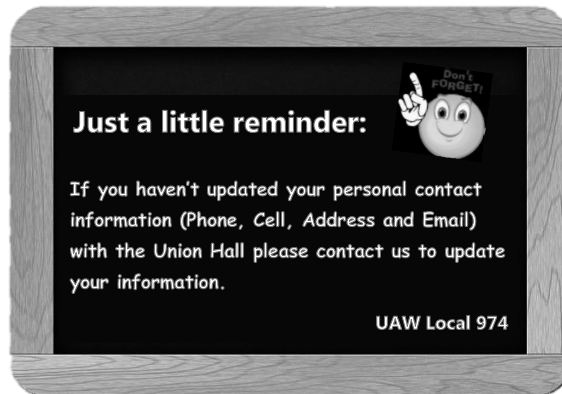

We held arbitration in East Peoria for a Mapleton overtime grievance and expect a ruling from that arbitration at the end of June or beginning of July. I will keep you updated.

Tentatively we hope to have meetings here at the hall in July. I look forward to having steward meetings and encourage all union stewards to attend to get caught up on all information that has been missed out on this last year.

Please don't hesitate to call me at the Union hall with any questions or concerns at (309) 694-3151.

In Solidarity,

Bobby Koller
Bargaining Chairman
