INSURANCE & BENEFITS REPORT – OCTOBER 2026

JOHN ARNOLD —————

Happy Autumn everyone. Annual Enrollment is just around the corner and now is the time to decide what you want to do for next year's insurance. For those that are retired and are thinking about leaving the plan I just want to remind you that you would need to get another plan that covers medical, dental, vision, and prescription. As usual I unfortunately don't have the premiums for next year as I write this article. But if you contact me in the last week of October, I should be able to give you those new rates. I will not be surprised to see those rates go up from what they are now.

Many of you contacted me about receiving a survey from the UAW and wanting to know if it was legitimate. It was legitimate and there were two reasons why it was sent out. First, the International UAW needed to know who was still alive so their system could be updated with the correct information because ballots for the election of the IEB will be sent out in late August. They need to make sure they are sending ballots out to members that are eligible to vote. Secondly, back in November of 2025 the International Executive Board changed the definition of what a retiree is. Up until November a retiree was someone who retired with a pension. That definition excluded a lot of members that retired from their employment but only had a 401k. A lot of businesses have done away with pensions and strictly use 401k's. So now the definition of a retiree is someone with a pension or someone that attains at least five years of seniority and is at least the age of 62. Now at this year's Constitutional Convention the Delegates voted to change that verbiage and will become effective this November. At that point, a member must have attained at least 10 years of seniority and be at least 55 years of age. The ballots for the International Executive Board election have been sent out and need to be returned by October 5th.

I hope you all have a wonderful Fall Season and a great Thanksgiving with family and friends. GO BEARS!!!

In Solidarity,
John Arnold
Insurance & Benefits Chairman

RETIREEES – Medicare Reimbursement

From time to time, I remind our retirees about the Medicare Part B reimbursement portion of our plan. If you or your spouse are Medicare age, 65, and enrolled in Medicare Part A & B, you are eligible for reimbursement of the Part B Premium. **The Plan will reimburse your Medicare premium up to \$99.50 per month every January and July.** This only pertains to members and spouses that opted out of the management/executive plan and retired prior to March 26, 2017. **You must contact B-Swift at 1-833-735-2127 to enroll for the reimbursement. Once you're signed up, you won't have to sign-up again.**

BARGAINING CHAIRMAN'S REPORT – OCTOBER 2026

BOBBY KOLLER

Greetings Brothers and Sisters,

The current docket numbers are 6 issue grievances and 3 just cause grievances.

Caterpillar has been hiring equal to the 2005 period. 50 plus a week at least for the last couple of months.

The week of July 26th we sent 18 stewards to Ottawa for Basic Summer School. The original number was set at 20, but we always have at least a couple that can't do it for one reason or another. They all returned Friday, July 31st and the response from them all was positive as always. They told Randy and me that they learned so much and how much of a benefit it was to them. The stewards are the front line and the more knowledge they have the better they will progress going forward.

We had an Ag-Imp Council meeting the week of August 24th in Chattanooga, TN. The Council was able to tour the VolksWagon plant that recently was organized.

Grievances have been steady but not out of control right now. This seems to be how they are when business is good. The Company doesn't seem to enforce their policies as much as when it's slow.

Please do not hesitate to call me anytime for questions or concerns 309-694-3151.

In Solidarity,
Bobby Koller
Bargaining Chairman
