INSURANCE & BENEFITS REPORT – JUNE 2024

JOHN ARNOLD _____

Happy Spring everyone! I hope your year is going well so far. Hard to believe we are already six months into the year.

In late April, early May, I received some calls and members coming in to ask about a Peoria Journal Star ad that talked about Caterpillar workers from the 70's to the 90's. I reached out to that law firm to find out exactly what they were looking for. They are looking for anyone that worked for Caterpillar during those years and particularly anyone that worked with or around Mike Davis. He worked as a chipper and fork truck driver and passed away last year due to Mesothelioma. If you knew Mr. Davis or worked in that type of environment back then, you might have information they can use to help his family with this lawsuit. If you would like to call them, they can be reached at 1-888-732-1732 and it is the law firm of Bailey, Cowan and Heckaman.

Just a reminder that most of you that get the Medicare Reimbursement in January and July will not be getting the July payment because they paid that out in February. Your next payment will be January 1, 2025.

If anyone has questions or concerns, please feel free to contact me at 309-694-3151.

In Solidarity,

John Arnold, Insurance & Benefits Chairman

Brothers and Sisters, I hope you are all doing well and hope that your summer season kicks off so you can enjoy some outdoor activities now that winter is coming to an end. This past weekend I spent a lot of time calling friends that are Pittsburgh Steelers fans wishing them much success with Caleb Williams in the 2028 NFL Season.

The shirt room is completely stocked and the shirts I mentioned in the last newsletter will be getting sent soon so we can begin the buildup of inventory. I will also be working on a shirt for the ladies, two designs were offered, and both received good feedback. Currently I am waiting for the proofs from the supplier to review.

In May I will begin work on a new Labor Day shirt design. If any of our members have a design they would like to see, give my office a call or come over to the office and we will check it out!

The Veteran's shirts have arrived along with another new shirt in camo. The camo shirt is much more breathable material compared to the standard bayside shirts that I feel will help keep us a bit cooler in the summer heat.

Matthew Diebel, the Grievance Committee Chairperson out of the Mapleton Foundry was offered a promotion to join the International Staff as a Servicing Representative and he has accepted the position. I want to congratulate Matt and wish him the best in his new position and thank him for all of his services to our members as he has a long list of accomplishments which have made the facility better for our members and most importantly, he has earned it.

In Solidarity, Matthew Butler, UAW Local 974, Financial Secretary/Treasurer

BARGAINING CHAIRMAN'S REPORT – JUNE 2024

BOBBY KOLLER _____

Greetings Brother and Sisters,

Docket Numbers – Issue grievances are 5 and just cause grievances are 9.

As I began to write this report I was notified by the Prime Products (LL, SS) Committee that the company will start utilizing the Temporarily Layoff (TLO) Language. Starting May 13, 2024, the company will TLO groups of our members in this Business Unit. Temporarily layoff language is a tool the company used to avoid permanent layoffs during slow times. From April to April the company can TLO for up to 14 weeks and has the option to do daily TLO's for up to 25 days of these 14 weeks for any individual member and may be used in increments of less than a full week. Our members will receive TLO pay if they have at least 3 years seniority. Members will also be eligible for Unemployment benefits.

With things appearing to be slowing down at Caterpillar, this is also not unusual during an election year. In past election years, business picks up directly after the election as I assume it will do the same this time. Some of our members dislike TLO's but some volunteer for them. We will be speaking with the company to first ask for volunteers before implementing the TLO's.

The Bargaining office has picked up the last few weeks. This goes hand and hand with things starting to slow down. When things get slower, the company will start enforcing the many policies they were lax on when business is good. Therefore, resulting in more discipline. With the docketing numbers where they are, I currently have another 10 grievances I am working on to refer to the International to review for Arbitration.

I should have more details going forward on other Business Units and if they plan to take the same approach as Prime Products.

If anyone has any questions, don't hesitate to call me at (309)694-3151.

In Solidarity, Bobby Koller, Bargaining Chairman
