PRESIDENT'S REPORT

RANDY DIEHL, President —————

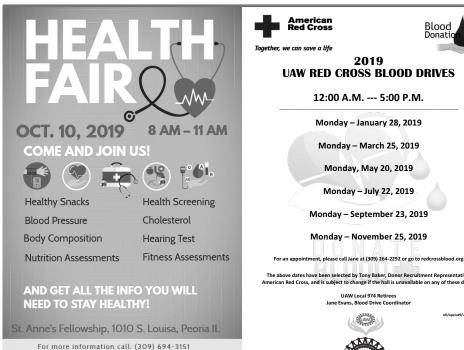

Greetings Brothers & Sisters,

I hope that you all had a good summer and I also hope that we have a good winter this year.

We had approximately 190 people march in this year's Labor Day Parade, who all received a free Local 974 t-shirt for participating. It was a beautiful day and the food, drinks and band were all excellent. Please consider marching with us next year if you can. Feel free to bring your significant other and your kids.

We will be holding a bowling tournament at Sunset Bowling alley in Pekin on October 12th and another one in early February. These tournaments have been very popular in the past and we usually fill up the bowling alley. Everyone has a lot of fun and all the profits go to the Heather Henninger Scholarship Fund. We drew for and awarded (15) \$500 scholarships to our members kids and grand-kids at last month's General Council meeting. Even if you don't bowl, you are welcome to come and enjoy the food and drink specials and purchase some 50/50 tickets or chances to win prizes. This year's grand prize is a 65" television. I would love to see you there!

In Solidarity, Randy Diehl

INSURANCE & BENEFITS REPORT

JOHN ARNOLD ————

The fall season is here and that is great news to me because it's the best time of year. In my last article I mentioned that the Union was working on getting a deal with Bard Optical. Well, I can report back that we were able to come to an agreement. Bard Optical will be offering the same deals and discounts that Heartland Vision was giving to our members. Be looking for their ad in this paper. You will need your union card for these discounts.

Now onto the topic of Annual Enrollment for 2020. As of the writing of this article (late August) Caterpillar has decided NOT to offer the retirees from 2005 – 2017 the Management Insurance Plan for 2020. So anyone that did not get into that plan the last two years, and were wanting to get into it for next year, will have to wait to see if they offer it again in the future. If you are already in the Management Plan then you will remain there. This is only pertaining to those retirees that had not gotten into the Management Plan as of January 1, 2019.

I do not know what the premiums will be for 2020 but as soon as I do they will be put on our website. You can check by going to www.uawlocal974.org and clicking on the Benefits tab. Hopefully by mid to late October I will have that information.

In closing I would like to wish everyone a Happy Halloween and Happy Thanksgiving. May you be able to spend the holidays with all your family and friends. I'll see you in the December paper with good news hopefully.

Tip for the month: Retirees that are needing hearing aids you do have coverage for those. Hearing aids may cost thousands of dollars but the most that you would pay is your maximum out-of-pocket for the year. That is if you have never bought a pair or its been more than 5 years since your last pair. You can go to Beltone for your hearing aids or you can call EPIC to find out who is in your network close to you.

In Solidarity, John Arnold, Insurance & Benefits Chairman

RETIREES - Medicare Reimbursement

From time to time, I remind our retirees about the Medicare Part B reimbursement portion of our plan. If you or your spouse are Medicare age, 65, and enrolled in Medicare Part A & B, you are eligible for reimbursement of the Part B Premium. The Plan will reimburse your Medicare premium up to \$99.50 per month every January and July. This only pertains to members and spouses that opted out of the management/executive plan and retired prior to March 26, 2017. You must contact Alight Solutions (Hewitt) at 1-877-228-4010 to enroll for the reimbursement. Once you're signed up, you won't have to sign-up again.

On Saturday, May 18, 2019 the 16th Annual Laura Valentine Memorial Bags tournament for St. Jude was held. Despite Mother Nature giving us monsoon type weather, we had one of our best years ever for the kids of St. Jude. We are grateful to all who were there playing, volunteering time, money, physical help, donations and so, much more. These include the Local 974 retiree, Maui Jim Sunglasses, Melissa Burtsfield of Texas Roadhouse, Jeanna Mc Menimen, friends and family. It was really special because this is the 16th year of Laura's passing as well as her age when she died from cancer, 16. We are so grateful that all of you kept this tournament supported to give back a little what St. Jude gave to us and thousands of other families. We are Blessed, Stan, Sandy, Jack, Doug, Chandra, Hollis and Simon Valentine.

BARGAINING CHAIRMAN'S REPORT

MIKE ATKINSON —————

Greetings Brother and Sisters,

Things have not really changed; business is slowing down according to Caterpillar. So again watch what you are doing. Don't leave your area too soon to go to the time clock or breaks. Keep your cellphone down or in your lunch box. Watch out for one another; if you see a co-worker doing something that may get them into trouble, say something to them.

With all the workplace violence going around, watch what you say to people, even if they are your best friend. It's not like a few years ago when you could joke around with your co-workers. Now we are in the era of being politically correct or hurting someone's feelings. We have people overhearing conversations and running to the supervisor and now you're in trouble.

If you are having a bad day, which we all do and something pisses you off. A phrase like, "I could kill something", even under your breath can still be overheard by the wrong person even though you had no intention of hurting someone. Now you are in human resources being walked out indefinitely. So be careful. I know it's hard to believe that with how well the company thinks they treat their employees that anyone has a bad day.

I talked to a few of the 9 stewards that just got back from steward training at the Pat Greathouse Region 4 Training Center in Ottawa. They were really pumped up. They said they learned a lot and it was really eye opening on how the other locals deal with John Deere, the big 3 automobile companies, Case New Holland and they actually work with the UAW and not against it.

We had the Labor Day Picnic at the hall on August 24th, with a disappointing turnout of less than 30 people. It was a nice day with plenty of good food. The local had a face painter and a balloon lady for the kids.

People always ask what has my union done for me, one of the major things is to promote solidarity. So we have events like the picnic, bowling tournaments and golf outings to get the membership outside of the gates of Caterpillar.

We had a good turnout for the Labor Day Parade; unfortunately we were 36th in line.

On my docket we have 12 issue grievances and 7 just cause grievances.

In Solidarity Mike Atkinson, Bargaining Chairman
