PRESIDENT'S REPORT

RANDY DIEHL, President _____

Greetings Brothers & Sisters,

We are approximately three (3) months from the expiration of our 6-year agreement with Caterpillar. I will continue to try to communicate everything I can with all our members through emails and on our UAW 974 website: www.uawlocal974.org and Facebook website. Please consider joining the UAW Facebook page if you are on Facebook and make sure the hall has your correct email address.

This week on October 31st we officially started working on our upcoming negotiations. The process is for us to open with our union proposal being presented to the company probably at the beginning of the year. We are working with other UAW Locals that represent Caterpillar members. These locals are from Decatur and Pontiac here in Illinois and a York, PA plant. We don't want to share every demand until we present this to Caterpillar. There were several thousand demands given to us in our members surveys and I will share a few of the largest demands, not in order. Wages, benefits, 401K, vacation, and y-time were a few of the biggest hitters. Thank you in advance for your patience and we will continue to communicate with everyone as much as possible.

I want to wish everyone a Merry Christmas and Happy New Year.

Stay safe and In Solidarity,
Randy Diehl

INSURANCE & BENEFITS REPORT – DECEMBER 2022

JOHN ARNOLD _____

Hello Brothers & Sisters!

Annual Enrollment is behind us now and we are right at about 3 months until this contract expires. The premiums, deductibles, and maximum out-of-pocket amounts for all active and retiree plans under the management umbrella did not change for 2023. For retirees that are still on the old Union/Caterpillar insurance you will see an increase in 2023. The retirees that are 65 years old or older will see a 6% increase or \$12.79 per person increase. The retirees that are younger than 65 (64 years old or younger) will see a 21.5% increase or \$76.59 per person increase.

International asked Caterpillar for the number of retirees that are still on the old Union/Caterpillar plan. There are 12,000 retirees that are still on that plan with 150 of those being 64 years or younger. That 150 shocked me when I seen it. This explains why the premium is so high per person. The pool to spread the cost of insurance is so small that it raises the price for everyone.

With the management rates staying the same in 2023 for retirees and actives I did not put the chart in this paper. I have included the retiree rate chart for the old Union/Caterpillar plan.

In closing I want to wish everyone a very Merry Christmas and a Happy New Year.

In Solidarity,
John Arnold
Insurance & Benefits Chairman

BARGAINING CHAIRMAN'S REPORT

BOBBY KOLLER _____

Greetings Brother and Sisters,

We currently have 6 issue and 5 just cause cases on the agenda with 6 pending. The negotiation team just finished with the demand meetings. We went through all the demands and as Randy has mentioned wages, benefits and 401K being some of the big hitters. We are currently 3 months away from voting on a new contract. I remain optimistic in that we can come back with a fair contract.

Grievances have started to go up recently. Attendance is the major reason the company is separating members. We need to let our new hires and supplementals know that bringing in multiple doctor notes doesn't always stop the company from separating a supplemental or someone in their probation period.

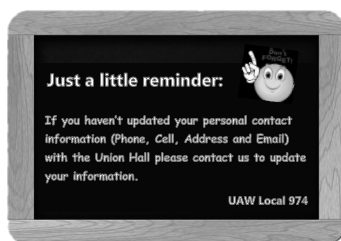

I want to be clear about a question that I get a lot. All members that are fulltime, part-time, supplemental or in the probation period. In the event we go on strike you are very much protected on the gates, if you choose to cross the picket line and report to work you are not protected by the grievance procedure and can be terminated by the company for any reason. All policies and progressive discipline are out the door while on strike.

Everyone please call the Union Hall and give us your email address; this is how we will be communicating with our membership.

This will be the last newsletter before Christmas. I want to wish everyone a Merry Christmas and a Happy New Year.

Please don't hesitate to contact me at the Union Hall with any questions or concerns (309) 694-3151.

In Solidarity,
Bobby Koller
Bargaining Chairman
