**Region 4 UAW is excited to bring you the 6th Annual Bowling Tournament. This event has a historical background, as it was in 1948 that Region 4 held the first interracial bowling event in the UAW. It took the organizers months to find a bowling house in Chicago, Illinois that would allow people of different ethnicities to bowl together. Re-establishing our bowling tournament without such hurdles reminds us that we have come a long way since 1948, yet we know we still have a long way to go.*

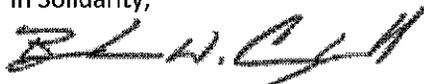

**Teams may register in one of three divisions: open (team members can be of any gender), mixed, and women's (all team members identify as female).*

**The tournament will be conducted under the direction of the Region 4 UAW Education Department. Scoring will be used on a 90% handicap. Please take care to read the rules and regulations on the official entry form. Special attention should be given to the entry form regarding average verification. A bowler's 2024/2025 average must be used for tournament entry. However, if this is not available, the bowler's current year, sanctioned league average (including summer) of 21 games or more will be used. Alternatively, if the first two options do not exist, then men use an average of 200 and women use an average of 165.*

**The Regional Tournament is a qualifying event for the UAW International Finals Championship that will be held in Allen Park, MI on Saturday, May 16, 2026. All teams entering our Regional Tournament will automatically be affiliated with and are eligible to compete in the UAW International Teams Finals, based on a ration of one out of every six teams entered. Up to 3 top qualifying teams will have their International Finals registration fee paid by the Region.*

I look forward to seeing bowlers from your Local Union or Unit participating in the 6th Annual Region 4 UAW Bowling Tournament.

In Solidarity,

Brandon W. Campbell, Director
Region 4 UAW
